Laura Crave is the Trauma Informed Care (TIC) and Awareness to Action (A2A) Educator at Children’s Wisconsin. She has been in this role since May 2020 providing education on trauma informed care to Children’s workforce and implementing training throughout the state on child sexual abuse prevention. Prior to this role, Ms. Crave worked with families involved with the foster care system through Children’s Family Support Program. In this role, Ms. Crave served as a TIC Champion for the Family Support Program and also, educated parents, foster parents, and kinship caregivers on caring for children who have experienced trauma.

Ms. Crave has a bachelor’s degree in Psychology from the University of Wisconsin-Eau Claire and is currently pursuing a master’s degree in Social Work from the University of Wisconsin-Milwaukee.
