## B E P 2 #9 :QSE P\

THESE GUIDELINES WERE REVISED IN 1997, AGAIN WITH LUCY BERLINER TAKING THE LEADERSHIP ROLE.

THERE WAS AN ATTEMPT TO REVISE THEM IN 2007, BUT THAT VERSION WAS NEVER APPROVED BY THE APSAC BOARD OF DIRECTORS.

IN 2018, THERE WAS ANOTHER ATTEMPT TO UPDATE THESE GUIDELINES, BUT THERE WAS NO AGREEMENT ABOUT WHETHER THEY SHOULD ONLY APPLY TO FORENSIC EVALUATIONS AND WHETHER THERE SHOULD BE SEPARATE GUIDELINES FOR CLINICAL EVALUATIONS.
